UNION PACIFIC GUILTY.

The Oregon Railway Commission Finds a Verdict Against the Railway Company.

THE OFFICIAL REPORT. missioners of the State of Oregon.

SALEM, Or., Jan. 5, 1892. In the matter of the accident to its annual meeting at Salem Tues-Union Pacific train No 1, of De-cember 29, 1891, two and one-balf miles west of LaGrande, Oregon, resulting in the death of R. E. Law, Gec. Miller, Arthur Suman and — Mackiski.

The board, after having visited the scene of the wreck and after having read the testimony of wituesses taken by Commissioner Bamitton at LaGrande on December 30, 1891, make the following finding of

that Union Pacific train No. 1, Salem. which was wrecked on the evening of December 29, 1891, about two and one-half miles west of LaGrande, Oregon, was a passenger train pulled by engine 609, of about 50 tons weight, and assisted by engine 1293, which was a consolidated engine of about 80-tons weight; that engine 1293 was the head engine, and at the time of the accident the train meeting of the Salem Democrats was making from twenty to twenty-

2. That the place where the accident occured is on an ascending grade, and on a 7 or 8 degree curve, that the rails were of 55 lb, steel.

3. That the tank of engine 1293, baggage and mail, and engine 609 were derailed, and thrown from the president; Wm. Miller, vice-presi- grade, down the embankment, and dent; Napoleon Davis, recording that Engineer R. E. Law, and Geo. secretary; C. A. Beach, correspond- Miller, his fireman, were instantly ing secretary; D. J. Fry, treasurer; killed by being crushed in the wreckage, and that Arthur Suman and - Mackiski, received injuries thereby, which resulted in death

4. That the Union Pacific com pany is chargeable with negligence in using on passenger trains, engines The following delegates were nomi- of the weight and character of nated by Mr. D'Arcy and elected to engine 1298 on any division the state convention to be held in where sharp curves abound, and discussion and selection of com-Portland, January, 8th and 9th; where its schedule time is over fif-mittees. Messrs Fry, Molney, Rowley and teen miles per hour, and that said Davis. It was noved that the wreck was caused by said negligent conduct, and that said persons lost
